

DICKEN'S LOFT BED & BREAKFAST

A mixed use project on Galveston's historic Strand in which two contiguous 19th century commercial buildings were renovated for use as a restaurant, a bookstore, craft, antique shops, and a 5-room bed and breakfast. A new atrium was created to join the two buildings, rationalize the circulation, and bring light into the interior spaces.

This project received a design award from the Austin chapter of the American Institute of Architects.
